of 16 December 2008 on classification, labelling and packaging of substances and mixtures,

The following provisions of that Regulation shall apply:

- designation of competent authority/ies (Article 43);
- implementation of classification, labelling and packaging of substances (Article 4);

Timetable: those provisions of that Regulation shall be implemented within six years of the entry into force of this Agreement.

- implementation of classification, labelling and packaging of mixtures (Article 4).

Timetable: those provisions of that Regulation shall be implemented within seven years of the entry into force of this Agreement.

ANNEX XXVII

CLIMATE ACTION

Georgia undertakes to gradually approximate its legislation to the following EU legislation and international instruments within the stipulated timeframes.

Regulation (EC) No 842/2006 of the European Parliament and of the Council of 17 May 2006 on certain fluorinated greenhouse gases.

The following provisions of that Regulation shall apply:

- adoption of national legislation and designation of competent authority/ies;

Timetable: those provisions of that Regulation shall be implemented within five years of the entry into force of this Agreement.

- establishment/adaptation of national training and certification requirements for relevant personnel and companies (Article 5);

Timetable: those provisions of that Regulation shall be implemented within seven years of the entry into force of this Agreement.

- establishment of (internal) reporting systems for acquiring emission data from the relevant sectors (Article 6);

Timetable: those provisions of that Regulation shall be implemented within eight years of the entry into force of this Agreement.

- establishment of enforcement system (Article 13).

Timetable: those provisions of that Regulation shall be implemented within seven years of the entry into force of this Agreement.

Regulation (EC) No 1005/2009 of the European Parliament and of the Council of 16 September 2009 on substances that deplete the ozone layer.

The following provisions of that Regulation shall apply:

- adoption of national legislation and designation of competent authority/ies;

Timetable: those provisions of that Regulation shall be implemented within five years of the entry into force of this Agreement.

- establishment of a ban on the production of controlled substances, except for specific uses (Article 4);

Timetable: those provisions of that Regulation shall be implemented within five years of the entry into force of this Agreement.

- establishment of a ban on the placing on the market and use of controlled substances and for reclaimed HCFCs which might be used as refrigerants, according to the obligations of Georgia taken under the Montreal Protocol (Articles 5 and 11). Georgia will freeze the consumption of HCFCs at baseline level by 2013, decrease the consumption by 10 % in 2015, by 35 % in 2020, by 67,5 % in 2025 and Phase out by 2030 (except 2,5 % for servicing use up to 2040);

Timetable: those provisions of that Regulation shall be implemented within 15 years of the entry into force of this Agreement.

- definition of the conditions for the production, placing on the market and use of controlled substances for exempted uses as feedstock, process agents, for essential laboratory and analytical uses, critical uses of halons (Chapter III). The use of Methyl Bromide will be only allowed for critical uses and Quarantine and Pre-shipment applications in Georgia;

Timetable: those provisions of that Regulation shall be implemented within five years of the entry into force of this Agreement.

- establishment of a licensing system for the import and export of controlled substances for exempted uses (Chapter IV) and reporting obligations for undertakings (Article 27);

Timetable: those provisions of that Regulation shall be implemented within five years of the entry into force of this Agreement.

- establishment of obligations to recover, recycle, reclaim and destruct used controlled substances (Article 22);

Timetable: those provisions of that Regulation for Ozone Depleting Substances shall be implemented within five years of the entry into force of this Agreement.

- establishment of procedures for monitoring and inspecting leakages of controlled substances (Article 23).

Timetable: those provisions of that Regulation for Ozone Depleting Substances shall be implemented within seven years of the entry into force of this Agreement.

ANNEX XXVIII

COMPANY LAW, ACCOUNTING AND AUDITING AND CORPORATE GOVERNANCE

Georgia undertakes to gradually approximate its legislation to the following EU legislation and international instruments within the stipulated timeframes.

For the purposes of this Annex the term Public Limited Liability Company (PLLC) designates in Georgia any company where liability of shareholders is limited by their shares, and offer its shares to the public and/or the shares are publicly tradable (listed) in a stock exchange. The different designations for such companies under Georgian law, corresponding to those of the list of national designations included in Directive 77/91/EEC, will be agreed upon by the Association Council, and will replace the aforementioned definition of a PLLC. A proposal to the Association Council shall be made for such a decision no later than one year after the entry into force of this Agreement. This approach applies to all Directives referring to PLLC under this Annex.

Company law

Directive 2009/101/EC of the European Parliament and of the Council of 16 September 2009 on coordination of safeguards which, for the protection of the interests of members and third parties, are required by Member States of companies within the meaning of the second paragraph of Article 48 of the Treaty, with a view to making such safeguards equivalent
